

Growing Resilience Forum

Organisations, services and others in the disaster management sector are invited to the Growing Resilience Forum

Monday, July 10

12.00pm - 6.00pm

RACV Royal Pines,
Gold Coast

Free (includes
lunch, afternoon
tea & grazing
platters)

Hosted by Neighbourhood Centres Queensland, this forum will be a great opportunity to connect with Neighbourhood and Community Centres and representatives of the disaster management sector.

The purpose of the Growing Resilience Forum is to **strengthen relationships, shared understanding and collaboration of the disaster management sector and its systems across Queensland**. [Register to Attend Here](#) by Wednesday, June 21

Event Program

- 12.00pm - 1.00pm Networking Lunch with Disaster Management sector representatives
- 1.00pm - 5.00pm Welcome to Country
- Official launch of the QLD Neighbourhood Centre Strategy for Disaster Resilience
- Interactive workshop to increase understanding of, and strengthen connections across organisations, services, programs and people working toward disaster resilience in QLD. *Afternoon tea included.*
- 5.00pm - 6.00pm Networking nibbles and drinks. *cash bar*

Forum participants are eligible for a 20% discount on registrations to the [Disaster & Emergency Management Conference](#) held at the same venue on July 11-12. Please see the [Forum webpage](#) for details.
