

Growing Resilience Forum

Queensland Neighbourhood and Community Centres are invited to NCQ's Growing Resilience Forum.

Monday, July 10

10.00am - 6.00pm

RACV Royal Pines,
Gold Coast

Free (includes
lunch, afternoon
tea & grazing
platters)

The purpose of the Growing Resilience Forum is to **strengthen relationships, shared understanding and collaboration of the disaster management sector and its systems across Queensland**. It will be a great opportunity for staff of Neighbourhood Centres to connect, not only with one another, but also with representatives of the broader Qld disaster management sector. [Register to Attend Here](#) by Wednesday, June 21
